GS 777 Integrated Wall Systems
- With Connex® ProBP™ Digital Blood Pressure Device (includes wall mounting bracket and device)
- With Spot Vital Signs® or Spot Vital Signs® LXi Devices (includes wall mounting bracket only, devices must be ordered separately)

GS 777 Wall Transformer Sets
- With 110V or 220V Transformer

To place an order, call our Customer Service Department at: 1.800.535.6663 or contact your local Welch Allyn representative.

The United States Green Building Council’s Leadership in Energy and Environmental Design (LEED®) is an internationally recognized green building certification system providing benchmarks for the design, construction and operation of high-performance green buildings.

Welch Allyn is proud to have earned a Gold rating in the LEED certification program.
Welch Allyn Green Series™ 777 Integrated Wall System

Allows for reliable diagnostic patient data in a standardized and energy efficient solution to improve your bottom line.

**Welch Allyn**

**Green Series™ 777 Wall Transformer**—configured to each facility’s needs.
- Help reduce facility cost with a more energy efficient product than the 767 Wall Transformer
- Help improve workflow and save energy with handles that automatically turn on/off
- Quickly and easily upgrade from the Welch Allyn 767 Wall Transformer to the Green Series 777 Wall Transformer
- No/re/y/switch reduces contact, to help reduce the risk of cross-contamination

**Welch Allyn**

**Otoscopes & Ophthalmoscopes**
- Standardize or choose the technology you need for each facility
- Upgrade to the Welch Allyn LED lamp for greater energy efficiency and lower cost of ownership

**Welch Allyn MacroView™ Otoscope**
- Almost twice the field of view and 50% greater magnification than traditional otoscopes
- Allows for simplified diagnosis of Otitis Media through superior visualization of the tympanic membrane

**Welch Allyn Pneumatic Otoscope**
- Rotating lens with ultraseal enables easy pneumatic otoscopy
- Easier instrumentation to allow a faster and more comfortable exam for the patient

**Welch Allyn PanOptic™ Ophthalmoscope**
- Fast, easy entry into undilated pupils with 5X larger view of the fundus for a streamlined exam
- 20º field of view vs. the standard 5º field of view provides optimal visualization

**Welch Allyn Coaxial Ophthalmoscope**
- 18 unique aperture/filter combinations for greater versatility
- 28 focusing lenses with a range of -25 to +40 diopters

**Welch Allyn**

**Spot Vital Signs® Device**
- Improve workflow by using a device that includes NIBP, pulse rate, MAP, thermometry and SpO2
- Connectivity to most leading EHR systems, to improve patient documentation accuracy and efficiency
- Connects to the Coaxial Ophthalmoscope to allow for streamlined exam

**Welch Allyn**

**Spot Vital Signs® LXi Device**
- Improve patient comfort and increase throughput with 15-second NIBP readings taken as the cuff inflates
- Connectivity to most leading EHR Systems, to improve patient documentation accuracy and efficiency
- Improve workflow by using a device that includes NIBP, pulse rate, MAP, thermometry and SpO2

**Welch Allyn**

**SureTemp® Plus Electronic Thermometer**
- Provides accurate oral temperatures in 4 to 6 seconds, axillary and rectal temperatures in 10 to 15 seconds and adult axillary temperatures in 12 to 15 seconds
- Reduce risk of cross-contamination with single-use probe covers
- Improve efficiency with convenient storage for 75 probe covers
- Takes approximately 8,000 readings on 3 AA batteries and provides last temperature recall

**Welch Allyn**

**Wall Aneroid**
- Recessed, laser-engraved dial face with high-contrast pointer provides certified accuracy to reduce errors and improve patient care
- Lifetime calibration warranty reduces cost of ownership

**Welch Allyn Connex® ProBP™ Digital Blood Pressure Device**
- Connectivity to most leading EHR systems, to improve patient documentation accuracy and efficiency
- Improve patient comfort and increase throughput with fast, 15-second NIBP readings
- Portable, so you can take BP readings just about anywhere

Welch Allyn industry-leading blood pressure and thermometry devices provide you with fast, accurate and reliable patient data you can trust—to help improve patient care and clinical decisions.
Welch Allyn Green Series™ 777 Integrated Wall System

Allows for reliable diagnostic patient data in a standardized and energy efficient solution to improve your bottom line.

Welch Allyn

Green Series™ 777 Wall Transformer—configured to each facility’s needs.
- Help reduce facility cost with a more energy efficient product than the 767 Wall Transformer
- Help improve workflow and save energy with handles that automatically turn on/off
- Quickly and easily upgrade from the Welch Allyn 767 Wall Transformer to the Green Series 777 Wall Transformer
- No on/off switch reduces contact, to help reduce the risk of cross-contamination

Welch Allyn Wall Aneroid
- Recessed, laser-engraved dial face with high-contrast pointer provides certified accuracy to reduce errors and improve patient care
- Lifetime calibration warranty reduces cost of ownership

Welch Allyn Connex® ProBP™ Digital Blood Pressure Device
- Connectivity to most leading EHR systems, to improve patient documentation accuracy and efficiency
- Improve patient comfort and increase throughput with fast, 15-second NIBP readings
- Portable, so you can take BP readings just about anywhere

Welch Allyn Spot Vital Signs® LXi Device
- Improve patient comfort and increase throughput with 15-second NIBP readings taken as the cuff inflates
- Connectivity to most leading EHR systems, to improve patient vital documentation accuracy and efficiency
- Improve workflow by using a device that includes NIBP, pulse rate, MAP, thermometry and SpO2

Welch Allyn industry-leading blood pressure and thermometry devices provide you with fast, accurate and reliable patient data you can trust—to help improve patient care and clinical decisions.

Welch Allyn Otoscopes & Ophthalmoscopes
- Standardize or choose the technology you need for each facility
- Upgrade to the Welch Allyn LED lamp for greater energy efficiency and lower cost of ownership

Welch Allyn MacroView™ Otoscope
- Almost twice the field of view and 30% greater magnification than traditional otoscopes
- Allows for simplified diagnosis of Otitis Media through superior visualization of the tympanic membrane

Welch Allyn Pneumatic Otoscope
- Rotating lens with ultraseal enables easy pneumatic otoscopy
- Easier instrumentation to allow a faster and more comfortable exam for the patient

Welch Allyn Spot Vital Signs® Device
- Improve workflow by using a device that includes NIBP, pulse rate and MAP
- Optional SureTemp® thermometry and Masimo® or Nellcor® pulse oximetry

Welch Allyn SureTemp® Plus Electronic Thermometer
- Provides accurate oral temperatures in 4 to 6 seconds, axillary and rectal temperatures in 10 to 13 seconds and adult axillary temperatures in 12 to 15 seconds
- Reduce risk of cross-contamination with single-use probe covers
- Improve efficiency with convenient storage for 75 probe covers
- Takes approximately 6,000 readings on 3 AA batteries and provides last temperature recall
