ALP478-3 SERIES

Bottle & Can Recycling Lid for Slim Trash/Recycling Receptacle

The Alpine Bottle and Can Recycling Lid is an ideal companion for our Slim Trash/Recycling Receptacle. Whether you need the lid for your office, restaurant, school, or home kitchen, we can assure you that it will lock in unpleasant scents while providing an easy disposal solution. Anyone can quickly dispose of items with our touch-free lid that won't dull or crack with use. The Bottle and Can Recycling Lid keeps unsightly bottles and cans hidden, and it creates a clean, fresh atmosphere without unwanted aromas. It is easy to clean and maintain also, as well as withstanding daily wear and tear. Our lid will help encourage waste separation and recycling, ultimately reducing your carbon footprint. With the purchase of our lid, you will get an economical solution that will amplify your environment's aesthetic.
