Triple Column Medical Storage Cart with Tambour Door, Single Column on Left, and Double on Right #MS8160L-SPLITA

The MS8160L-SPLITA is a triple wide medical storage cart, with a single column on the left and a full double wide shell on the right that features a split column above and open space below. This configuration allows for quick access to medical supplies, featuring the most innovative modular tray system on the market.

The MS8160L-SPLITA can be configured for use in Arthroscopy, Cardiology, Catheterization, Cystoscopy, Endovascular Labs, ENT, Interventional Radiology, Laparoscopy, Ophthalmology, Orthopedic, Neurology, Urology and Vascular.

Assembled cart dimensions:

- 80.5" H x 59.6" W x 27.9" D
(204.5 cm H x 151.4 cm W x 70.8 cm D)
- Cart net weight: 370 pounds (167 kg)
- Approximate shipping weight: 560 pounds (253.2 kg)

Construction:

- Painted steel cabinet, 20-gauge powder-coated steel

Advantages and Benefits:

- Offers 30% more tray or basket storage capacity when compared with leading competitor's product, using 2", 4" and 8" modular trays; or 4" and 7" wired baskets.
- Increased storage capability means fewer carts need to be purchased, thereby reducing capital purchase cost.
- Further optimize space within trays with adjustable dividers that have a unique locking design, called the "clip-on effect," to withstand high loads.
- Unique design of plastic side panels, combined with pull-out-stoppers, allows modular trays to be extended and viewed at an angle without falling out of the cart.
- Catheter shelf can be added featuring three robust dual slide assemblies, each slide contains five hooks.

Standard Features:

- Plastic side panels form a modular system consisting of 141 insertion opportunities (47 per column) to hold modular exchange trays and baskets, which are sold separately.
- Catheter Shelf Holders can be added to any column.
- One of the columns can be removed to increase catheter storage capacity
- Roll-up tambour door with key lock allows access to supplies during clinical hours.
- Integrated push handles are flush with cart side, positioned vertically for better control
- Corner bumpers with premium five inch casters, full swivel – two with brake
- Standard color is Sand. Also available in 16 other colors, using durable hard-baked powder coat finish
- Ships fully assembled with twelve year warranty

MS8160L-SPLITB

Triple Column Medical Storage Cart with Tambour Door, Single Column on Left, and Double on Right

The MS8160L-SPLITB is a triple wide medical storage cart, with a single column on the left and a full double wide shell on the right that features a split column below and open space above. This configuration allows for quick access to medical supplies, featuring the most innovative modular tray system on the market.
