

# PREMIUM TREATMENT TABLE WITH H-BRACE

Introducing the new Hausmann Premium Treatment Table with H-brace. Manufactured in the USA using high-quality Formica® laminate and the long-lasting Hausmann Design – it's the same design we've used in our Hausmann and PROTEAM™ brands for years.

## Cleanable Formica® Laminate & Pro-Form Vinyl

The high-quality laminate and vinyl are proven to withstand **heavy cleaning and disinfecting** - beneficial to healthcare providers and their patients<sup>2</sup>

HTT3078-LB-N shown

## 500-pound Weight Capacity

Tested with a static load of 2,000-pounds<sup>1</sup>

## Highly Durable and Long-Lasting Table Design

- H-Brace recessed into table leg with unique 4-sided joint
- Enhanced leg hardware system with heavy-duty bolts and embedded metal threaded inserts

## New U-Bend Liftback

The addition of the U-bend liftback to the Hausmann table portfolio

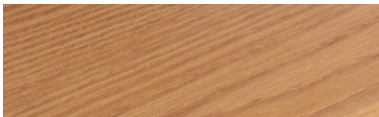

# PREMIUM TREATMENT TABLE WITH H-BRACE
