

FreshWave®IAQ

INDUSTRIAL ODOR CONTROL FOR HEALTHCARE SETTINGS

Part of Medline's greensmart™ program

Virtually Eliminate Odors -
Safely and Easily

Destroy Odors in Your Facility on a Molecular Level

Fresh Wave IAQ natural odor eliminators effectively remove both organic and inorganic odors from the air and surfaces in your facility. Instead of masking odors with perfumes, Fresh Wave IAQ bonds with

odor molecules and eliminates them. It's safe to use around people and animals because Fresh Wave IAQ is made with natural, non-toxic and biodegradable ingredients.

Natural Ingredients:

Water

Lime

Pine Needles

Aniseed

Clove

Cedarwood

For Complete Odor Management, Use The Entire Fresh Wave IAQ System

Continuous Release Gel

- Delivers up to 60 days of effective odor elimination
- Continuous release formulation provides round the clock odor control.
- Fragrance-free – effectively removes odors without masking them, creating a fresh, scentless area
